To finish off we thank Grace Berry the manager of R.O.S.C who allowed us to create this magazine and many other members of staff who helped us with ideas and designs.

# Recipe Page

Hi my name is Kendra and this is a spooky Recipe for you and your friends and family to enjoy. Just make sure you don't get too scared!!

## Ingredients

Serves: **24**

- 1 (500g) package chocolate cake mix
- 500g (1 1/4 lb.) black liquorice laces
- 500g (1 1/4 lb.) dark chocolate icing
  - 48 jelly diamonds
  - 48 mini jelly beans

## Preparation method

Prep: **1 hour** | Cook: **30 mins**

1. Prepare fairy cakes according to package directions. Let cool completely.
2. Cut liquorice laces into 7cm (3 in) sections. Working with one or two cakes at a time, so the icing doesn't set before decorating, ice the fairy cakes with the chocolate icing. Insert liquorice pieces into the outer edges of the cakes to make the legs of the spider, 3 legs on each side (4 take up too much space). Place two jelly diamonds on the front for fangs and use two mini jelly beans as eyes. Repeat with remaining fairy cakes.

## Tip:

Feel free to play around with the fairy cake decorations - you can use Smarties or buttons for the eyes, or strawberry laces for the legs. Just try to make them look as scary as possible!

## The Ugly Duckling

My favourite book is the "Ugly Duckling"  
This story is about a little duckling that everyone thinks is ugly. The ugly duckling goes to try and find friends but nobody wants to play with him. The poor duckling was so sad he ran away to a shed. He stayed there for a couple of months. When he got out he was a beautiful swan. The swan was very happy now. This is my favourite book because I liked the Ugly duckling. I thought he was cute all along.
